

Regional Descriptions

The following three contracts are for assisting the Lead Agents/MTF Commanders in coordinating health care delivery in the covered regions and in ensuring the optimal use of MTF capacities to improve access to quality health care, while containing costs.

North Region. . The contract shall be referred to as the Managed Care Support (MCS), North Region. It will require development, implementation and operation of a health care delivery and support system for TRICARE and other Military Health System (MHS) beneficiaries residing in the States of Connecticut, Delaware, District of Columbia, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, Virginia, North Carolina, Wisconsin, Michigan, Illinois, Indiana, Ohio, Kentucky, West Virginia, the Fort Campbell catchment area of Tennessee, and the Scott Air Force Base catchment area of Missouri. These areas are currently defined as MCS Regions 1, 2 and 5. These geographic areas and states are hereinafter referred to as the North Region and defined by zip codes in Section J-4, Document XX.

South Region. The contract shall be referred to as the Managed Care Support (MCS), South Region. It will require development, implementation and operation of a health care delivery and support system for TRICARE and other Military Health System (MHS) beneficiaries residing in the States of Alabama, Florida, Georgia, Mississippi, South Carolina, Tennessee (excluding the zip codes in the Fort Campbell, Kentucky catchment area), Louisiana, Oklahoma, Arkansas, and major portions of Texas. These areas are currently defined as MCS Regions 3, 4, and 6. These geographic areas and states are hereinafter referred to as the South Region and defined by zip codes in Section J-4, Document XX. In addition, the contractor shall be responsible for complying with all CHCBP requirements and fulfilling the overseas requirements of the European, Pacifica and Latin American/Canada Regions.

West Region. The contract shall be referred to as the Managed Care Support (MCS), West Region. It will require development, implementation and operation of a health care delivery and support system for TRICARE and other Military Health System (MHS) beneficiaries residing in the extreme western portion of Texas and certain Texas zip codes which are included in the catchment area of Cannon Air Force Base, New Mexico, as well as the States of Arizona, Colorado, Idaho, Iowa, Kansas, Minnesota, Missouri (except for those zip codes which have been assigned to MCS, North Region), Montana, Nebraska, New Mexico, Nevada, North Dakota, South Dakota, Utah, Wyoming, California, Washington, Oregon, Hawaii and Alaska. These areas are currently defined as MCS Regions 9, 10, 11, 12, and Central. These geographic areas and states are hereinafter referred to as the West Region and defined by zip codes in Section J-4, Document XX.
